

SB Stageberg Builders

.....

Stageberg Builders is focused on building custom homes and renovations in the beautiful Upstate of South Carolina. Dan Stageberg, sole owner, is actively involved in every step of the building process. To that end, Dan will limit the homes under construction to one at a time. This ensures adequate and proper supervision of each home which provides for high quality standards and results.

You will find that Dan Stageberg is at the homesites everyday communicating with homeowners and his team of highly skilled tradesmen. Building a home is similar to any other process, you must be actively involved and communicate your expectations to all you work with. Stageberg Builders is committed to the homebuilding process and looks forward to an opportunity to work with you.

Building a custom home is a very involved process with many decisions to be made. Stageberg Builders is committed to working with you, and for you, through the exciting experience of building your own home.

.....

Whether it is building a new custom home or a custom renovation, Stageberg Builders is focused on client relationships, open communication, and the custom details that make a home uniquely yours.

.....

I cannot say enough positive things about working with Dan Stageberg and Stageberg Builders in the design and construction of our new home!! The construction quality was exceptional...down to the smallest detail! Dan and his team provided exactly what we envisioned!

Dan clearly cares deeply about delivering an exceptional product. And he did! We could not be more pleased with our new home!! Our experience working with Dan was absolutely enjoyable!

Geoff and Sandy Zuschlag

.....

With Dan, you get a trustworthy builder that does not cut any corners, but builds a quality home while watching and accounting for every penny he spends.
